

Call

For applications for the

Training School on molecular diagnosis of Congenital Neutropenias

July 04-05, 2022, Petah Tikva, Israel

Local Organizers

Prof Hannah Tamary and Dr Orna Steinberg Shemer
Molecular laboratory, Hematology Oncology division, Schneider Children's Medical Center of Israel and Felsenstein Medical Research Center, Tel Aviv University

Purpose of the Training School:

The Training School on molecular diagnosis of Congenital Neutropenias is organized by the COST Action CA18233 European Network for Innovative Diagnosis and Treatment of Chronic Neutropenias (EuNet-INNOCHRON <https://eunet-innochron.eu/>). The Training School aims at covering aspects on molecular diagnosis on Congenital Neutropenias including molecular biology techniques such as Sanger Sequencing and NGS. The participating scientists will have the opportunity to expand their knowledge via interactive lectures from experts on aspects related to molecular diagnosis on Congenital Neutropenias, familiarize themselves with protocols, discuss, and get hands-on experience on performing sequencing and interpreting their results.

The host of the Training School is Prof Hannah Tamary's and Orna Steinberg-Shemer's Department in the Schneider Children's Medical Center, Petah Tikva in Israel.

To offer a high-quality hands-on experience, a limited number of participants will be accepted.

Deadline for applications: June 4th, 2022

Application Process:

1. The applicants must send their application to Prof Hannah Tamary email: htamary@tauex.tau.ac.il, Dr Orna Steinberg-Shemer email: orna.steinberg@gmail.com and our COST Action Chair Prof Helen Papadaki, e-mail: coordinator@eunet-innochron.eu, before the deadline **June 4th 2022**.
 - A brief C.V.
 - A motivation letter stating the relevance to their research and the value to participate in the Training Course.
 - A letter of support from a senior Researcher/Clinician (preferably but not necessarily related to the EuNet-INNOCHRON project) from their home Institution where they are affiliated to.
2. The applicants will be formally notified of the outcome of their application on **June 7th 2022** at the latest.

Important Notes:

1. The selected applicants will be sent a formal COST invitation to the email they have provided and instructions for reimbursement rules for the expenses regarding the whole travel.
2. The selected participants will be reimbursed from the COST Action EuNet-INNOCHRON for travel costs and will get a fixed amount of daily allowance (for their accommodation, 2 meals/day and any public local transport). (Please refer to COST rules: https://www.cost.eu/uploads/2022/03/Travel-Reimbursement-Rules_March-2022.pdf)
3. To attend this face-to face Training School, participants are subject to the regulations of the Israeli National Health Authorities regarding the pandemic that are being constantly revised. <https://corona.health.gov.il/en/abroad/arriving-foreign-nationals/>
